

The Grinch says,
No newsletter in
December!

However, there are a few
items to check off your
list.

✔ **Reserve** your place for the end-of-year Christmas luncheon. Due date is Dec. 12. *See Deb's email for reduced member-only price.* Reservation Form attached, p. 3.

✔ **Pay** your 2024 Garden Club Dues either by mail to Carol Jasin or bring your check to the Christmas luncheon. Form attached, p. 2.

✔ **Remember** that Dean's gives 20% of your purchase back to the garden club if you mention WGC before the sale is rung. They offer a wonderful selection of natural decorations and may be the perfect place to find a good hostess gift.

✔ Stop by **Porter Library** to see the *Grinch-themed tree* that the Garden Club puts up—courtesy of **Robert Pearl**. The youngsters were already enjoying it on Monday as we trimmed the tree.

✔ Be sure to visit **Frost at the Botanical Garden**. It is much more elaborate than it has been in the past—truly magical. Do be sure to see the Westlake Garden Club offering of a wreath: *Sparkle at the Front Door*. It does really sparkle thanks to the artistic ability of **Cathy Garlitz**. Be sure to notice the beautiful crystal drops.

Wishing you all much joy, peace and happiness during this holiday season.
